Set Fire to the Rain (Boyce Avenue Cover)

Verse

```
      Am    C              G              Dm
I  let it fall, my heart and as it fell you rose to claim it
It was dark and I was over until you kissed my lips and you saved me
My hands they're strong, but my knees were far too weak
To stand in your arms without falling to your feet
```

Bridge

```
              F
But there's a side to you that I never knew, never knew
     Am
All the things you'd say, they were never true, never true
         F                          G
And the games you play, you would always win, always win

Chorus

```
          Am                              G
But I set fire to the rain  Watched it pour as I touched your face
       Dm                                                    Am          G
Let it burn while I cried  Cause I heard it screaming out your name, your name
