### Verse

**Am** // // // // **Gsus4** // // // // **Am** **Gsus4**  
 I'll sing it one last time for you then we really have to go  
**Am** **Gsus4** **Am** **Gsus4**  
 You've been the only thing that's right in all I've done.  
**Am** **Gsus4** **Am** **Gsus4**  
 And I can barely look at you but every single time I do  
**Am** **Gsus4** **Am** **Gsus4**  
 I know we'll make it anywhere, away from here

### Verse

To think I might not see those eyes it makes it so hard not to cry  
 And as we say our long goodbyes I nearly do.

### Chorus

Light up, light up as if you have a choice  
 Even if you cannot hear my voice I'll be right beside you dear  
 Louder, louder and we'll run for our lives  
 I can hardly speak I understand Why you can't raise your voice to say  
 Slower, slower we don't have time for that  
 All I want is to find an easier way to get out of our little heads

Have heart my dear we're bound to be afraid  
 Even if it's just for a few days making up for all this mess  
 Light up, light up as if you have a choice  
 Even if you cannot hear my voice I'll be right beside you dear
